What's Included

Your plan is for a post-paid mobile phone service that provides access to the Telstra Wholesale Network. It can be used within Australia to:

Share data between eligible mobile or data plans on your account

What's Not Included

The plan cannot be used for:

Receive calls, MMS, SMS and access data.

Make calls and send SMS and MMS to standard Australian numbers; as well as calls to most '11xx', '12xx', '13xx' and 1800 numbers.

Share data between eligible mobile or data plans on your account.

Call, SMS and MMS to standard international numbers

Mobile Data SERVICES

Critical Information Summary

Business Grade Mobile Data Services

Your Device:

You may bring your own device but it's important to note that You must make sure your device is compatible, or it may not be able to make calls, including calls to emergency services. See telstra.com/support/mobile-devices/enable-volte-mobile-phone for more information on compatible devices.

Your Data Usage:

You're required to follow our Fair Use Policy and avoid using the service in any unacceptable, excessive, or fraudulent way, or in a manner that negatively impacts network integrity or causes major congestion.

You'll receive SMS and/or email alerts in near real-time when you reach 50%, 85%, and 100% of your data allowance. To monitor your usage, download the My Telstra app on your smartphone or tablet.

Plan Speeds:

Speeds may vary due to factors such as location, distance from a tower, local conditions, concurrent users, hardware and software configuration and download/upload destination. For coverage information, see telstra.com/coverage

Billing Information:

Monthly service charges will be billed two months in advance. Call usage for your inbound service will be billed a month in arrears.

Your current account balance, invoices, un-billed call usage for the month so far is available at

<https://billing.aatroxcommunications.com.au>.
